4LITE "The smart"

This is one of the most up-to-date terminals on the market, and it is not only stunningly fast, but can also be handy both in the point of sale zone and in the customer room.

The Secret of the 4LITE's Popularity...

It can meet various needs and can be used easily in almost every situation.

It is able to print paper-invoices and is also capable of issuing these digitally for those who seek a more environmental option.

- ✓ Plain appearance
