4SPEND

The force is in your hand!

4M

HERE COMES THE NEW ERA OF PAYMENTS!
Sexy on the outside, smart at the inside.

Card processing, instant payments via QR code with a customer oriented **discount-system** in one place!

4SPEND.COM

4M "The mobile"

This smartphone lookalike POS-terminal is the new generation of its kind!
The similarity is not a coincidence: with a SIM card, it can be used as a mobile phone too!

The Secret of the Ex-M's Popularity...

It does not only accept bank card transactions but can also function as a smartphone! You only need a SIM card and your POS-terminal turns into a mobile phone.

The instant payment acceptance and the ExiPay's Discount System are also available on them by default.

- **Mobile phone exterior and features**
- **EMV card acceptance (Chip, NFC)**
- **QR code based instant payment**
- **Wireless network**
- **Can be expanded with applications**
- **Can make E-receipts (paperless)**

We recommend it to

- **Couriers**
- **Self-employment entrepreneurs**
- **Hand-sellers**
- **Hairdressers**
- **Taxi-drivers**
